Poster Abstract Submission Form

Name of Primary Author (Last, First):* _____

Phone Number:* _____

Summary Statement*

Provide a brief summary of your research with key points highlighted that would provide a basis for discussion and interaction on site at the conference (50 words maximum). If your poster is selected, this statement will be included in the conference program. If you prefer, you may provide this information on a separate sheet of paper but it must be submitted with your application.

Abstract Text*

Because of the large number of abstracts presented at the conference, the text of each abstract should consist of a maximum of 300 words and must include Aims, Method, Results, and Conclusions-Significance. Abstract style should be comparable to CPDD, SPR, APHA, or APA abstracts.

Do not include your title and author information as part of the body. Tables and graphics are not recommended, as they are extremely difficult to properly size in the space available. If you prefer, you may provide this information on a separate sheet of paper but it must be submitted with your application.

Poster Presenter Release

I certify that my presentation(s) will not suggest or otherwise endorse the use of any product or service. I understand that should I mention a particular product or service, I would need to clearly state that said item is not endorsed by NIDA or any other governmental agency, nor is its use required by any of the attendees of my presentation.

I understand that my presentation may be included in a conference summary or used in other ways deemed appropriate by NIDA. I hereby grant NIDA permission to publish my poster abstract as part of the conference materials disseminated at the 2010 NIDA Blending Conference.
